Although waterways are open to traffic, shoaling, storm debris, and other hazards may still exist. Mariners must be mindful of their vessel wake, as flooding conditions still exist in many communities near waterways. Aids to Navigation may also be damaged or missing. Mariners transiting the area should use caution, and report any Aids to Navigation damage or other waterways issues to VTS LMR via VHF-FM Channel 05A, 12, or 67, or via landline at (504) 365-2230.
