RE: Crescent River Port Pilots' Association
Tariff Adjustment
Effective May 1, 2019

To Our Valued Customers and Agents:

Please find enclosed a schedule of new tariff rates for the Crescent River Port Pilots' Association ("CRPPA") to be implemented in accordance with the provisions of Louisiana Pilotage Fee Commission (the "Commission") Order No. P15-002/P15-003, consolidated, effective August 1, 2015 (the "Order"). Six (6) new pilots will be added on May 1, 2019, increasing the total pilot complement from 114 to 120. Pursuant to the Order, CRPPA is authorized to adjust tariff rates to recover the expense of adding up to four (4) newly commissioned pilots in excess of 114. Accordingly, effective May 1, 2019, a total increase of 1.82% in general tariff rates and fees will be implemented to recover the expenses of four additional pilots over the currently authorized complement of 114.

Please take the time to review the new tariff and direct any questions that you may have to our Chief Operating Officer, Mark Nelson, at 504-392-5016, extension 314, or by email at mnelson@crescentpilots.com.

Sincerely,

Crescent River Port Pilots' Association

Captain E. Michael Bopp
President

CRESCENT RIVER PORT PILOTS' ASSOCIATION
TARIFF SCHEDULE EFFECTIVE 05/01/2019
