Subject: Draft Increase
Date: August 5, 2019 at 7:59 PM
To: ron.branch@louisianamaritime.org

Good Evening Captain Branch,

Please note the following for tomorrow's LAMA update..

Effective immediately, we the Federal Pilots of Louisiana recommend a maximum freshwater draft of 44' for transit between the Southwest Pass Seabuoys and mm 4.5 AHP.

Greg Bush
President
The Federal Pilots of Louisiana
