Good Morning Ron,

Please distribute to the membership at your convenience.

As a result of the Carrollton Gauge reading 12' and continuing to fall, we are rescinding our recommendation that all mooring operations requiring a line boat be conducted between the official times of sunrise and sunset.

Please contact me with any questions.

Greg Bush
President
The Federal Pilots of Louisiana
504-416-6727
president@federalpilots.com

Note: Captain Bush confirmed all restrictions implemented at the 12 foot gauge have been rescinded.
