

**From:** U.S. Coast Guard uscoastguard@service.govdelivery.com  
**Subject:** Sunshine Bridge Alternate (West) Channel Span is open without restriction  
**Date:** April 8, 2019 at 10:16 AM

**United States Coast Guard**  
U.S. Department of Homeland Security

The equipment, vessels and scaffolding associated with the Sunshine Bridge repairs have been removed from the Alternate (West) Channel Span. The Sunshine Bridge Alternate Marine Safety Information Bulletin Vol XIX Issue 013 (Waterway Status - Sunshine Bridge Operations MM 167 - 168 AHP LMR) is rescinded.

For further information, contact VTS Lower Mississippi River on CH-5a or at the phone number below.
