4011 Highway 59, Suite C  
Mandeville, Louisiana 70471

Wednesday, May 4, 2022

To whom it may concern,

As a result of the Carrollton Gauge reaching 12' and forecast to continue falling, we are rescinding all 12' and rising recommendations effective immediately. All operations are normal at this time.

Please do not hesitate to call with any questions or comments...

Greg Bush

A handwritten signature in blue ink, appearing to read 'Greg Bush', is positioned below the printed name.
