TO WHOM IT MAY CONCERN:

TRANSIT RECOMMENDATION DUE TO FLOCCULATION: EFFECTIVE JUNE 6, 2024

Effective 10:00 hrs, June 06, 2024, The Associated Branch Pilots recommend that Inbound Vessels with a deep fresh water draft of **Thirty- Eight feet (38')** or greater transit Southwest Pass 10 hours before high tide to 4 hours after high tide due to flocculation conditions. Nothing in this recommendation prevents the individual pilot from using his own discretion.

Sincerely,

Michael T.D. Miller
