1. Transportation costs to or from vessels at the Transportation Tariff Rate and boat service to or from vessels at anchor or underway shall be borne by the vessel. When the Crescent River Port Pilots' boat is used to embark or disembark a pilot on a vessel at Boothville, a charge of \$612.49 shall be applicable.

2. Pilot services, except as provided in Section 3, shall be ordered for vessels at least three hours in advance. Whenever a pilot is ordered with less than three hours notice, a charge of \$408.19 shall be applicable.

3. Vessels inbound to Southwest Pass from another U.S. Gulf Port or its anchorage, shall provide an ETA to the Crescent River Port Pilots' Office at least six hours prior to their arrival off the Pass. This ETA shall be revised upon the vessel's departing the other U.S. Gulf Port, or its anchorage, if necessary.

Vessels inbound from an origin other than a U.S. Gulf Port or its anchorage, shall provide an ETA at least twenty-four hours in advance. If this vessel fails to provide this ETA at least twenty-four hours in advance, this vessel shall pay \$540.91. If an ETA changes by more than two hours, the Crescent River Port Pilots shall be advised at least six hours prior to the original ETA or the vessel's arrival, whichever is earlier. An ETA given as "A.M." shall be assumed to be 0600 hours local time; an ETA given as "P.M." shall be assumed to be 1800 hours local time. A vessel or her agent can revise its original ETA as often as necessary as long as the six hour rule is followed. The latest ETA received shall be considered the vessel's ETA. Vessels arriving off Southwest Pass without an ETA shall pay a charge of \$1,081.85, in addition to all other applicable charges in the tariff. A vessel shall be considered to have arrived off Southwest Pass when she is one mile off the sea buoy. The Crescent River Port Pilots will notify the vessel

or its agent of the availability of a pilot and expected waiting time, if any. Vessels providing an ETA but arriving more than two hours before their ETA shall have the option of having a pilot dispatched immediately, if available, and paying the charge of \$1,081.85 or waiting for a pilot to be dispatched for the vessel's latest ETA. Vessels arriving more than two hours after their ETA shall pay a detention charge at the applicable rate for each hour it arrives after this ETA. However, this charge shall not exceed \$1,081.85. Vessels not arriving within four hours of their ETA or revised ETA shall be considered to have become disabled or diverted and no longer calling at this port. The vessel or her agent shall notify the Crescent River Port Pilots as soon as it is known that she has become disabled or has been diverted. If a vessel arrives off Southwest Pass more than four hours later than her ETA, it shall pay the \$1,081.85 charge plus detention for each hour, or fraction thereof, after four hours from this vessel's ETA. If this vessel revises the ETA prior to its ETA, this vessel shall not be subject to pay the detention charge, but shall pay the \$1,081.85 charge. The Crescent River Port Pilots will advise the vessel or her agent if there shall be a delay to the vessel for pilotage service. Whenever a vessel arrives off Southwest Pass and a charge of \$1,081.85 is applicable, the vessel so arriving shall pay the Transportation charge to Venice.

4. The Crescent River Port Pilots' Association or its members may enter into agreements with the masters or owners of vessels, agents representing masters or owners of vessels, or other affected entities or their representatives pertaining to pilotage rates, including but not limited to: tasks requiring assignments of more than one pilot simultaneously; requests for the assignment of a pilot or pilots to a vessel during those periods when all duty pilots have assignments, or have not received proper rest; a change in a vessel's original ordered destination is requested; or for special services and transportation costs not covered in the tariff, and for the hire of boats and equipment for such rates and for such sums as may be agreed between them. No special service agreements shall be made when deemed unsafe.
5. If the time aboard a vessel is deemed excessive to complete the pilotage service, the pilot may be relieved; however, such exchange shall not increase the cost of the applicable regular pilotage fees, unless the vessel's original destination is changed, then Section 4 applies.
6. All vessels incurring a regular pilotage fee shall pay a surcharge which provides monies for the River Port Pilots' Pension Plan. This plan is on file with the Louisiana Pilotage Fee Commission (the "Commission"). The surcharge shall be based on the volume of shipping; the rate charged shall be based on each vessel's greater Deadweight Tonnage listed in Lloyd's Register, calculated to the nearest one hundredth of a mill; and subject to quarterly adjustments based on the plan's total expense for the current benefit payment period as determined by the Board of Administrators or its agent.
7. All vessels incurring a regular pilotage fee shall pay a \$4.50 communication charge.
8. Tariff rates and fees shall be adjusted annually to mitigate the over or under recovery of operating and administrative costs and expenses of pilotage. The annual adjustment shall be made pursuant to the "True-Up" methodology approved and implemented by Order of the Commission.
9. Vessels of one hundred gross tons or less, or those vessels exempted by the laws of the United States shall not be required to take a pilot. However, nothing shall prevent such vessels from requesting pilotage service.
10. All vessels shall employ a river port pilot when navigating the operating territory described in LA. R.S. 34:996, except those vessels exempt by the laws of the United States or vessels of one hundred gross tons or less. When pilot services are timely offered and refused, said vessel shall pay such charges as are provided in LA. R.S. 34:997.
11. All vessels shall be subject to pay any and all pilotage fees, charges, and surcharges which are authorized by the appropriate regulatory body. The Crescent River Port Pilots' Association shall have a lien and privilege upon any vessel employing a river port pilot for the non-payment of pilotage fees, charges, and surcharges as provided for in LA. R.S. 34:1000.
12. For the remainder of a twenty (20) year period beginning October 1, 2011, a capital improvement surcharge of \$167.48 per inbound/outbound turn shall be imposed for construction and amortization of a pilot station at Pilottown, subject to true-up on an annual basis.
