Re: Crescent River Port Pilots' Association
2024 Tariff Rates and Fees
Effective September 1, 2024

To Our Valued Customers and Agents:

Please find enclosed the new tariff for the Crescent River Port Pilots' Association as approved and implemented by the Louisiana Pilotage Fee Commission (the "Commission") in Order Nos. P22-004, P20-001, and P15-008 (the "Orders"). This filing amends and supersedes CRPPA's tariff schedule filed with the Commission on June 26, 2024, for effectiveness on July 1, 2024. The tariff schedule filed on June 26, 2024, contained a miscalculation which had the effect of under-collecting target compensation for the net eight new pilots commissioned on July 1, 2024. CRPPA has corrected the miscalculation, and the enclosed tariff schedule is intended to collect the amount of half-year compensation for the newly-commissioned pilots authorized by Louisiana Pilotage Fee Commission Order No. P20-001(A). The necessary adjustments to the tariff will be implemented September 1, 2024, and will remain in effect through December 31, 2024 or until amended pursuant to an order of the Commission.

Please take the time to review the new tariff and direct any questions that you may have to our Chief Financial Officer, Mark Nelson, at 504-392-5016, or by email at mnelson@crescentpilots.com.

Sincerely,
