### **SUBJECT: Temporary Closure of CBP Port of Gramercy Office**

Effective immediately, the U.S. Customs and Border Protection, Port of Gramercy office will be temporarily closed due to a positive COVID-19 test of a CBP employee at the location.

The office will be sanitized out of an abundance of caution due to COVID-19. We have no information that the employee has been in close contact with anyone from industry.

All marine desk requests should be sent to the New Orleans or Baton Rouge marine desks until the Port of Gramercy reopens.

An update will be provided once the Port of Gramercy office has been cleaned and re-opened.
